The Director of Central Intelligence

Washington, D.C. 20505

Dear Frank,

My wife and I thank you so much for the lovely flowers which you were so thoughtful in sending to her. She is very sorry, as I am, to have missed the opportunity to spend some time in your lovely city. We do hope we can come back at some future date for a more leisurely visit.

I thoroughly enjoyed the opportunity to talk to the Round Table. The questions were stimulating and well worth attempting to answer. You certainly have an energetic and informed group. Your role in giving Palm Beach this intellectual stimulus is certainly an important one.

With warmest regards.

Yours,
